NOW, THEREFORE, BE IT RESOLVED BY THE BOARD AS FOLLOWS:

Section 1. Adoption of Budget. The budget attached hereto and incorporated herein is approved and adopted as the budget of the District for fiscal year 2026. In the event of recertification of values by the County Assessor's Office after the date of adoption hereof, staff is hereby directed to modify and/or adjust the budget and certification to reflect the recertification without the need for additional Board authorization. The Board hereby determines in good faith (such determination to be binding and final), that to the extent possible, the adjustments to the mill levies made to account for changes in Colorado law described in the prior sentence, and the actual tax revenues generated by the mill levies, are neither diminished nor enhanced as a result of those changes.

The Board directs its legal counsel, manager, accountant, or other designee to certify to the Board of County Commissioners of Boulder County, Colorado the mill levies for the District as set forth herein. Such certification shall be in compliance with the requirements of Colorado law.

PARKDALE METROPOLITAN DISTRICT NO. 3
2026 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS

Services Provided

The District, a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by order and decree of the District Court for Boulder County on May 11, 2018 and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District operates under a Service Plan approved by the Town of Erie on October 24, 2017. The District's service area is located entirely within the Town of Erie, in Boulder County, Colorado.

The District was established, in conjunction with Parkdale Metropolitan District Nos. 1 and 2 (along with the District, the "Districts"), to plan for, design, acquire, construct, install, and finance certain public improvements.

Pursuant to the Amended and Restated Service Plan, the Districts are permitted to issue bond indebtedness in an aggregate principal amount not to exceed $100,000,000. In the future, the Districts may issue a portion or all of the remaining authorized but unissued general obligation debt for purposes of providing public improvements to support development as it occurs within the Districts' service area; however, as of the date of this budget, the amount and timing of any debt issuances is not determinable.

The District has no employees and all administrative functions are contractual.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District’s Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer’s election, in February and June. Delinquent taxpayers are notified in August and, generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

The District's Amended and Restated Service Plan allows for a maximum operating mill levy of 15.000 mills, to be adjusted for changes in the method of calculating assessed valuation that occur after January 1, 2017.

Revenues (Continued)

Property Taxes (Continued)

For property tax collection year 2026, HB24B-1001 set the assessment rates as follows:

Category	Rate		Category	Rate
Single-Family Residential	6.25%		Agricultural Land	27.00%
Multi-Family Residential	6.25%		Renewable Energy Land	27.00%
Commercial	27.00%		Vacant Land	27.00%
Industrial	27.00%		Personal Property	27.00%
Lodging	27.00%		State Assessed	27.00%
			Oil & Gas Production	87.50%

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 4% of the property taxes collected.

Expenditures

County Treasurer's Fees

County Treasurer's fees have been computed at 1.5% of property tax collections.

Transfers to Parkdale Community Authority

The District will transfer net tax revenues generated from its operation mill levy to Parkdale Community Authority to help pay for administrative expenditures.

Debt and Leases

The District has no debt or operating or capital leases.

SUMMARY OF SIGNIFICANT ASSUMPTIONS

Reserves

Emergency Reserve

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all funds received by the District are transferred to Parkdale Community Authority, which pays for all Districts' operations and maintenance costs, an Emergency Reserve is not reflected in the District's Budget.
